Celsa Huta Ostrowiec, (CELSA Group) THE FIRST CIRCULAR SUPPLY CHAIN

We produce circular and low-carbon steel from scrap and using the electric furnace technology. We aim to be Net Positive by 2050, driven by the sustainable development goals and focusing on six of them. Our Sustainability Roadmap 2021-2050 is fully integrated into the business strategy.

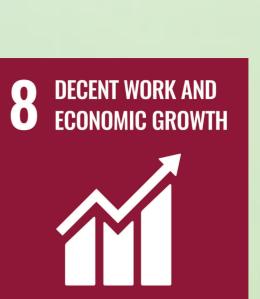

OUR YEAR IN FIGURES

We are second manufacturer of long steel products in Europe and the most diversified and vertically integrated European producer.
